

WSC will continue to offer:

- Community Based Day Services
- Day Habilitation
- Employment Supports
- 24/7 Residential Program
- Individual Support Residential Program

We currently have a Day Advisory Committee which consists of Human Services Professionals with over 100 years of combined experience. The purpose of this group is to determine the best possible use of this building for the population that we currently have and the people that we will support in the future.

The offerings list in this brochure may be subject to change as we continue to assess the needs of the communities that we support.

OUR NEW HOME

MAKING LIFE MORE MEANINGFUL ADVOCACY SUPPORT EMPOWERMENT GROWTH DIGNITY CHOICE

WSC is proud to announce that we will be moving into a new state of the art facility in 291 Mystic Avenue, Medford, MA.

Our new building will house both our administrative offices and our Day Support Programs.

This move will allow us to increase the number of individuals that we support and the types of services offered.

While we will continue support the communities of Somerville, Cambridge and Arlington the new building will also allow us to provide support to Medford and surrounding communities.

We expect to open the doors in the Spring 2017.

Highlights of the site:

- 43,000 sq. ft. fully accessible building
- 3-acre lot with ample parking and fenced-in secure areas for drop-off and pick-up
- Covered drop-off area, allows two vehicles to drop-off at the same time and provides protection from the elements
- 17 Bathrooms and/or personal care suites
- Ceiling Hoyer lift in medical areas
- Variety of activity spaces including a horticultural room, music and movement room, art room, sensory room and gymnasium
- Fully accessible training kitchen

New Programs to be offered:

- Acquired Brain Injury and Intensive Autism Spectrum Disorder programs
- Integrated Adult Day Health
- Expanded Day Habilitation offerings will focus on supporting intense behavioral interventions and Dementia/Alzheimer's needs

Expanded populations to be supported:

- Adults that qualify for Adult Day Health services
- Individuals with Acquired Brain Injury
- Individuals that qualify for Intensive Autism Spectrum Disorder services
